Subject: Continue UBER

As a parent of a smart student at University of South Carolina, I value the services of UBER. My daughter uses the service and I know all the details of her ride and I have a higher level of confidence in her safety. Please allow UBER to continue to serve the South Carolina community.

Respectfully
Tom Carroll

Please drop the cease and desist on Uber. It is a great service to the community and will be sorely missed if it is not reinstated.

Removing ridesharing from South Carolina harms the tens of thousands of riders who rely on the Uber platform for safe, low-cost rides. I want Uber to stay in SC and continue access to the safest and most affordable rides on the road, you can **#SCneedsUber**.
